**Come and join Sid on his first day of school!**

Sid realized that he was not like the other children. He decided to change his appearance to fit in.

He took hair from Billy.

Hair color from Nina.

A nose from Jenny.

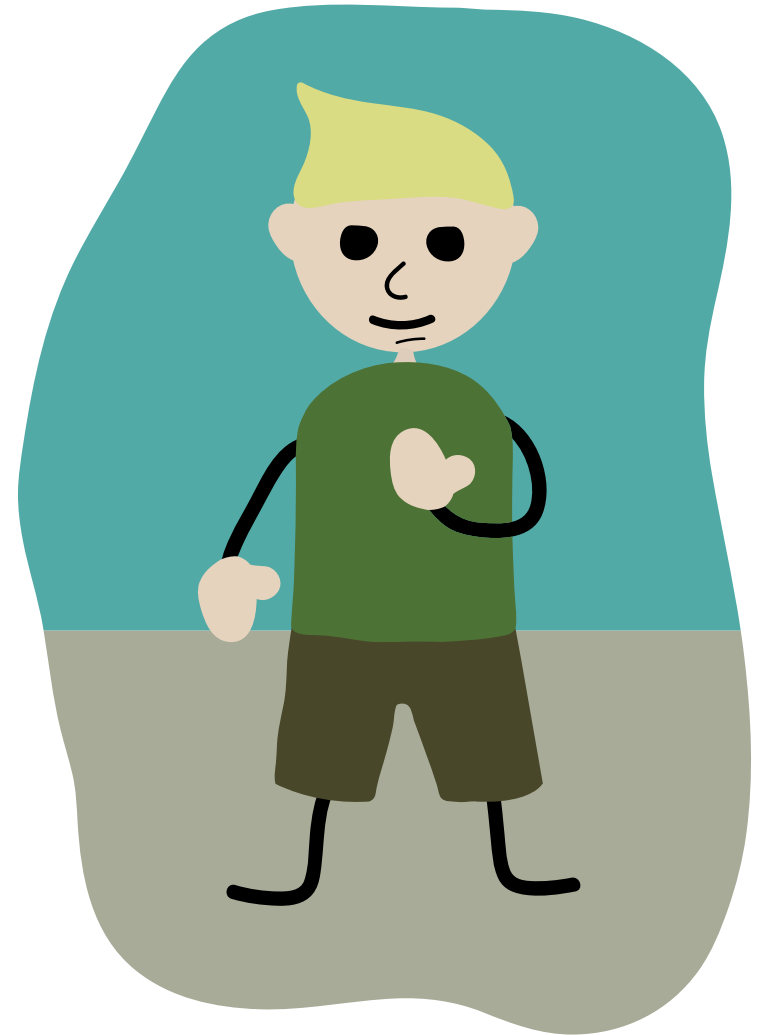

Eyes from Phil.

A smile from Sara.

And a chin

**Sid felt better now that he looked like the others. But the teacher did not recognize him when calling his name.**

**“I am Sid,” he insisted. The teacher did not believe him no matter how many times he told her.**

**Then the teacher saw that he  
was a collection of the other  
students.**

**“No one is exactly the same,” the teacher told Sid. “Everyone is different from each other.”**

**“That’s right!” Sid realized. He saw with his own eyes that each of his new classmates were different from the next.**
