

Munchkin

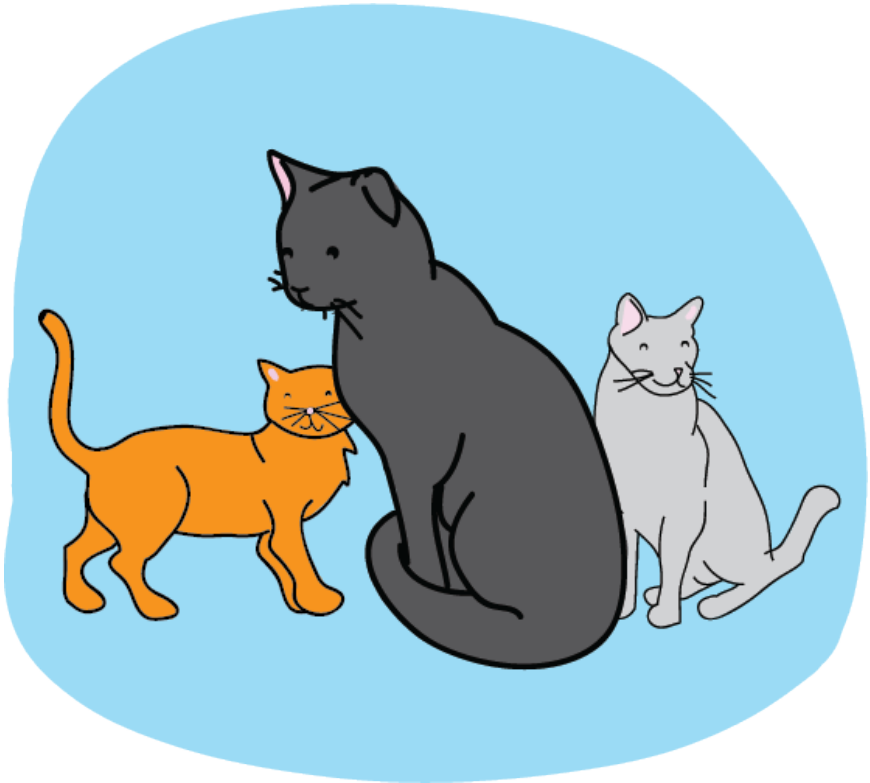

Callie Bucchino

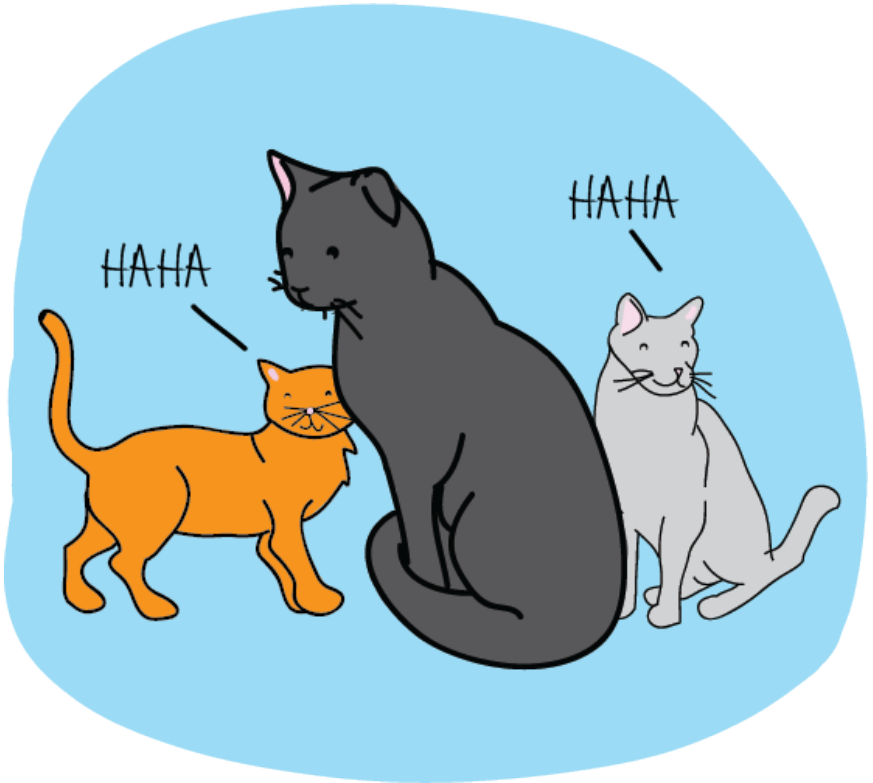

This is Munchkin.

Munchkin has short legs.

He did not fit in with the other cats.

In fact, the other cats made fun of him.

This made Munchkin feel sad and lonely.

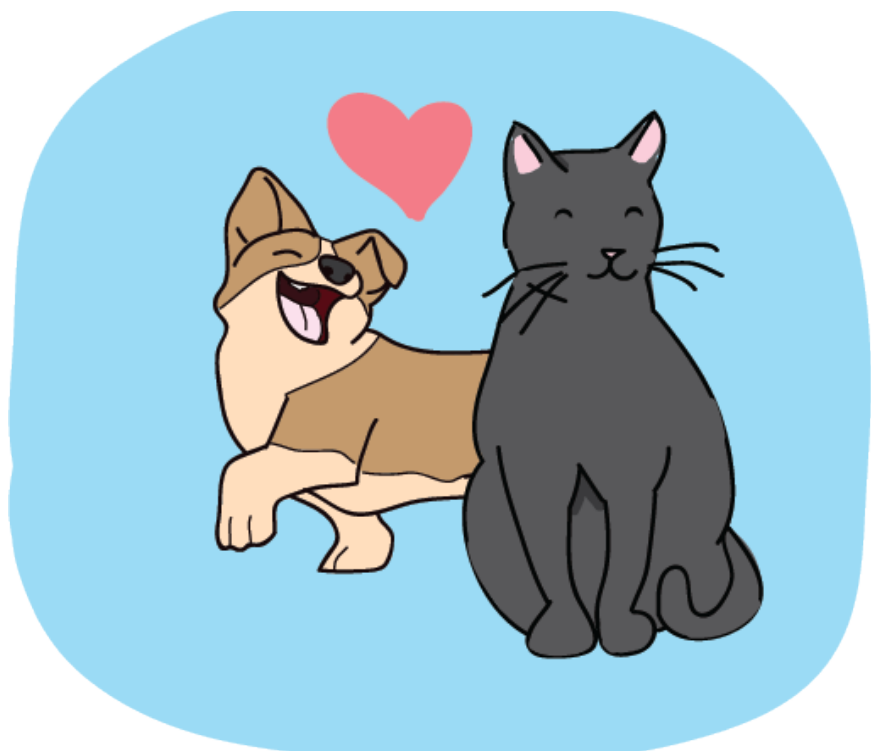

But one day a Corgi dog visited.

Short legs

The Corgi had short legs too.
Munchkin and the Corgi became quick friends.

Munchkin finally fit in.

Dedicated to my best friends:
Ebhan, Erik, Sasha, and Bridge.

Always be yourself.
You will find your family
